Re: EISLER, Robert Gary

Reg. No. 95267-022

Docket Nos. 1:04CR00400-005 & 1:04CR00303-001

Dear Chief Judge Gillmor:

This is in response to the Court's recommendation that Robert Gary Eisler serve his term of confinement at the Terminal Island Federal Correctional Institution, in San Pedro, California, or the Federal Correctional Institution in Sheridan, Oregon. The Court also recommended that he participate in the Residential Drug Abuse Program (RDAP). Mr. Eisler was sentenced in your court to a total term of 51-months for Possession with Intent to Distribute Methamphetamine.

Unfortunately, we were unable to follow all of the Court's recommendations. Mr. Eisler has been classified as a low security level offender. The Terminal Island facility located in San Pedro, California, is currently experiencing population pressures. In addition, the Sheridan facility houses medium and minimum security level offenders. Accordingly, Mr. Eisler has been designated to the La Tuna low security level facility in Anthony, Texas, where the RDAP is available. Staff there will encourage Mr. Eisler to participate in the RDAP, if determined eligible under the established program criteria.

Although we were unable to follow all of the Court's recommendations, please be assured of our continued commitment to satisfy judicial recommendations whenever possible.

Sincerely,
